linda,

i have worked approximately 18 hours a day, 7 days a week, 365 days a year for the last few years out of pure fear for my life.
with no vacations and no days off,

i do apologize, but i can not live another moment fearing for my life from violent, ignorant, incompetent cowards with guns who knowingly, willfully, and intentionally compel men, women, and children, without our fully informed freely given consent and against our own god given free will, to perform compulsory commercial commerce with CITY OF PASADENA or suffer brutal beatings, kidnappings, captivity, torture,... and possible death.

these violent criminals you employ to impose your will upon us have. on multiple occasions, held children, who are my own pupils, at gun point.
these men are a danger to every man, woman, and child living at pasadena.
you must cease and desist immediately, before any more of my brothers and sisters and children are injured or killed by your pursuit of commercial commerce to satisfy a bankruptcy debt that we had absolutely nothing to do with.

we are god's creatures.
CITY OF PASADENA is man's creature and a mere creature of the mind; fiction of law.
fiction yields to truth. where there is truth, fiction of law exist not.
this is a self-evident truth called a maxim of law; it is eternal and immutable.

we are your masters and you have betrayed and enslaved us on behalf of foreign bankers to satisfy a bankruptcy debt that is not our responsibility.
what is worse is with bankers now controlling everything the debt is intentionally made perpetual to maintain mans enslavement eternally. i. e. free labor. slaves.
it was a carefully crafted plan, not a random coincidence, that bankers gained control of the UNITED STATES. easily provable with undeniable historical facts, current corporate structure, and self-evident cognizance. their goal could never have been accomplished without assistance of traitors in public office who violated their sacred oath.

i can give endless examples of maxims of law, scripture from the holy bible; the word of god, legal definitions of words, and actual unambiguous true historical facts that literally obliterate the validity of any and every possible scenario you might employ to validate you claim of power over man-kind without his fully informed freely given consent and against his god given free will. (if you got it bring.)

god did not put me on earth to be a debt slave of foreign bankers. to be ruled by

men inferior men who are nothing more than criminals with absolutely no honor or integrity is the indignity of all indignities. it defies all logic and reason that men of god be dominated by evil men.

i want peace and happiness for myself and fellow sons and daughters of god.
i only seek the truth and opportunity to live in peace and harmony and escape of fear and discord manufactured by lies and deceit.
i openly and honestly welcome any and all men to challenge me in a fair fight. the truth can not be defeated by lies.

if no man challenges me within the next three days, then this matter must eternally be considered resolved and every thing i expressed heretofore is decreed the truth, the whole truth, and nothing but the truth and deemed true, correct, complete, and certain, heretofore and forever hereafter.

if you need more time submit your request to me, otherwise immediate and eternally cease and desist any and all exercise and execution of authority over everyone at pasadena unless you possess their fully informed freely given consent.

you, along with all those who willing supporting CITY OF PASADENA, are **all** equally liable, as an aggregate corporation, for all the damage caused by your existence, including but not limited to several deaths.

"silence can only be equated with fraud where there is a legal and moral duty to speak, or where an injury left unanswered would be intentionally misleading." u.s. v. tweel, 550 f.2d 297,299 (1977), quoting u.s. v. prudden, 424 f.2d 1021, 1032 (1970).

"when circumstances impose duty to speak and one deliberately remains silent, silence is equivalent to false representation." fisher controls international, inc. v. gibbons, 911 s.w. 2d 135 (1995)

"when a person sustains to another a position of trust and confidence, his failure to disclose facts that he has a duty to disclose is as much a fraud as an actual misrepresentation." blanton v. sherman compress co., 256 s.w. 2d 884 (1953)

silence activates estoppel, pursuant to carmine v. bowen, 64 a. 932.

private
notice to principal is notice to agent.
notice to agent is notice to principal.
this is a self executing contract. silence is acquiescence, agreement, dishonor, and estoppel. failure to respond is fatal. he who does not deny, admits.

notice of order to immediately cease and desist.

to the man acting as Chief Executive Officer of and for CITY OF PASADENA; jeff wagner in private and unlimited capacity.
hereinafter: you, your, or yours.

from the self-aware living soul of god existing within the living flesh and blood man of god created by the will of god in the image of god on land of god with dominion of god.
hereinafter: me, my, myself, or i.

- **"in the beginning god created the heauen, and the earth." genesis 1:1.**
- **"and god said, let vs make man in our image, after our likenesse: and let them haue dominion ouer the fish of the sea,**

- **and ouer the foule of the aire, and ouer the cattell, and ouer all the earth, and ouer euery creeping thing that creepeth vpon the earth." genesis 1:26.**
- **"and the lord god formed man of the dust of the ground, & breathed into his nostrils the breath of life; and man became a liuing soule." genesis 2:7.**
- **"render therefore vnto cesar, the things which are cesars: and vnto god, the things that are gods." matthew 22:21.**

1. i hereby, herein, and herewith order you to immediate cease and desist any and all exercise and or execution of power and or authority over my mind (free will), body (holy temple), and soul (sacred spirit).
2. i hereby, herein, and herewith order you to immediate cease and desist any and all exercise and or execution of power and or authority over Brian Douglas Roark and every spelling derivative, every punctuation derivative, and every capitalization derivative thereof, heretofore and forever hereafter.
3. i hereby, herein, and herewith order you to immediate provide me expressed written affirmation that you will eternally faithfully abide by this cease and desist order.

it defies all logic and reason that authority over me can be possessed without my fully informed freely given consent and against my own god given free will.

everything i have expressed and implied is backed up by maxims of law, scripture from the holy bible (i. e. the word supreme of god), legal definitions of words, and indisputable historical facts.

the truth is as self-evident as the fraud you are facilitating, committing, and perpetuating.

MAXIMS OF LAW

- *Consent makes the law. A contract is a law between the parties, which can acquire force only by consent.*
- *Laws are abrogated by the same means [authority] by which they are made.*
- *One who can will (exercise volition) has a right to refuse will (without consent).*
- *That which is ours cannot be transferred to another without our act (consent).*
- *Nothing is so opposed to consent as force and fear.*
- *The greatest enemies to peace are force and wrong.*
- *What is good and equal, is the law of laws*

he who does not deny, admits.

what is not proved and what does not exist are the same; it is not a defect of the law, but of proof.

in the law of estoppel, "silence" implies the knowledge and an opportunity to act upon it.

no man can contravene or contradict his own deed. the principal of estoppel by deed.

what is proved by record ought not be denied.

what is understood is not wanting.

what is tacitly understood is not considered to be wanting.

let every one employ himself in what he knows.

what is first is true; and what is first in time is better in law.

he who is first in time is preferred in right.

when in the words there is no ambiguity, then no exposition contrary to the words is to be made.

the word of god is supreme.

proofs are to be weighed not numbered; that is, the more worthy or credible are to be believed. [it doesn't matter how many men say something, because the word of god is superior to all. it does not matter how many people believe a lie, it's still a lie. and in a democracy, a lie is the truth].

he does contrary to the law what the law prohibits; he acts in fraud of the law who, the letter of the law being inviolate, uses the law contrary to its intention.

law is established for the benefit of man.

no one is obliged to accept a benefit against his consent.

everyone may renounce or relinquish a right introduced for his own benefit.

a benefit is not conferred on one who is unwilling to receive it; that is to say, no one can be compelled to accept a benefit.

nothing is so natural as to dissolve anything in the way in which it was bound together; therefore the obligation of words is taken away by words; the obligation of mere consent dissolved by the contrary consent.

it does not matter whether a revocation is made by words or by acts.

i must have peace.
you must immediately comply.
you must immediately surrender or immediately provide actual positive proof of true verified facts of absolute unambiguous evidence of authority to compel me to perform.

i allow you 3 days to comply.
i will follow up with a phone call to linda to affirm your assent.

if you refuse to comply then you must provide me expressed written dissent with your own wet ink signature and endorsement notarized under penalty of perjury and provide me actual true verified facts of absolute unambiguous evidence you possess authority over me, or you will be knowingly, willfully, and intentionally committing fraud, slavery, human trafficking,... and treason.

i am absolutely certain i can easily prove far beyond and shadow of doubt, with self-evident truth, that every thing i say is the truth, the whole truth, and nothing but the truth, so help me god.

i just want to be free and you are enslaving me on behalf of foreign bankers to satisfy a bankruptcy debt.
i suggest you seek god in prayer and beg forgiveness.

regards,

i am self-aware living soul of god existing within living, breathing, flesh and blood
man of nature sojourning earth, the land of god.
i am a creation of god and true fact of nature.
i am obligated solely to god and governed exclusively by nature.
i am immune to all man man made laws.
